Faith Evangelical Free Church's **Deep & Wide Conference** is an annual event designed to encourage believers in Christ to “Go DEEP in your faith, WIDE in your outreach,” but anyone may feel free to attend.

**Deep & Wide** is provided free of charge, although those who so desire may make a donation to help with Faith EFC's costs.

The bulk of the conference will take place on Saturday, November 3rd at the church, located at 1009 Maryland Highway in Mountain Lake Park, MD. For those unable to attend on Sunday, contact the church office on ways to access Sunday's parts.

Childcare will be provided. Although the event is free, we are asking people to register so that we may have a more accurate count for meals and childcare.

To register, call 301.334.4172, or email [church.fefc@verizon.net](mailto:church.fefc@verizon.net).
